We appreciate your interest in The Episcopal Day School and want you to feel free to contact us should you have any questions we can help answer. All the attached forms are available in Registration Packets in the school's main office. Should you wish to download and print the forms from your personal computer, you may bring the completed forms to the office when you are ready to register your child/ren. We will need one completed Admissions Application and one Emergency Contact form per student in duplicate with your signature. Should you need help with the Admissions and Emergency forms, Mrs. Houston can help you. If you need additional information or help with Day Care Policies and Day Care Enrollment, Mrs. Sandra Garza, our Day Care Director is available to assist you. Mrs. Christina Mendoza, our Business Manager is available to help with both Admissions and the Tuition Payment forms. All may be contacted through our main campus telephone number (956) 542-5231.

We believe you'll find The Episcopal Day School to be a school of high academic standards with a nurturing and dedicated faculty and staff. We look forward to having your child/ren as EDS students.
