Dear EDS Parent,

We are delighted that you are re-enrolling your child or children in our school for next year. We continually strive to provide the highest quality education in a Christian environment. For sixty years our goal has been to provide an enriched and challenging educational experience. The Registration forms for the 2009-2010 school year have been revised, so please do not hesitate to contact us should you have any questions or concerns about the changes.

As a school, we are committed to a process of continuous improvement. We are reviewing our curriculum and developing new instructional units at every grade level. Teachers are seeking new and expanded learning experiences for your children. We encourage you to visit classes when your schedule permits.

The Episcopal Day School is fully accredited by the Southwest Association of Episcopal Schools (SAES) and the Texas Private School Accreditation Commission (TEPSAC,) a division of the Texas Education Agency.

We consider it a privilege to have your children as students in our school. We look forward to another year of providing meaningful learning activities to promote the academic achievement of your children.

Sincerely,

Teresa Hoskins & Marilyn Osborn
