December 11, 2009

Dear EDS Parent,

We are delighted that you are re-enrolling your child or children in our school for next year. We continually strive to provide the highest quality education in a Christian environment. For sixty years our goal has been to provide enriched and challenging educational experiences. The Registration forms for the 2010-2011 school year have been revised, so please do not hesitate to contact us should you have any questions or concerns about the changes.

As a school, we are committed to a process of continuous improvement. Last year, our faculty began a review of the curriculum standards for the state and the standards of best practice in Math, English and Science. We have been in the process of revising the curricula at every grade level. We have sought high quality professional development for our faculty. As a result, teachers are regularly planning new and expanded learning experiences for your children. We encourage you to visit classes when your schedule permits.

The Episcopal Day School is fully accredited by the Southwest Association of Episcopal Schools (SAES) and the Texas Private School Accreditation Commission (TEPSAC,) a division of the Texas Education Agency.

We consider it a privilege to have your children as students in our school. We look forward to another year of providing meaningful learning activities to promote the academic achievement of your children.

Sincerely,

Teresa Hoskins & Marilyn Osborn
